

Practice FRQ – Grade Sheet

The Constitution was an attempt to address problems of decentralization that were experienced under the Articles of Confederation.

- List three problems of decentralized power that existed under the Articles of Confederation. For each problem you listed, identify one solution that the Constitution provided to address the problem.
- Some have argued that the tensions between decentralized and centralized power continue to exist. Support this argument by explaining how one of the following illustrates the continuing tension.
  - a. Environmental policy
  - b. Gun Control
  - c. Disability access
